

Lecturers – Quantitative Literacy

2 Permanent Full time positions

1 Permanent Part Time position – 25 hours per week

Numeracy Centre

Academic Development Programme

Centre for Higher Education Development

We invite applications for the permanent position of lecturer in the Numeracy Centre at the University of Cape Town, for appointment **01 January 2015**. The Numeracy Centre is an academic teaching and research unit within the Academic Development Programme (ADP) that works across all faculties, focusing on the development of students' quantitative literacy in the context of their disciplinary studies. The ADP works in partnership with the faculties with the aim of promoting and facilitating students' access to and their overall success in higher education.

Requirements:

For the Permanent full time positions:

- At least a Masters degree in a relevant quantitative discipline (preferably Mathematics or Statistics).
- At least 2 years teaching experience relevant to the development of students' quantitative literacy in the context of their disciplinary studies in higher education, especially at first-year level.
- A demonstrated interest in a relevant area of Education Research.
- Excellent writing and communication skills.

For the Permanent part-time position:

- A relevant postgraduate qualification in a quantitative discipline (preferably Mathematics or Statistics)
- At least 2 years teaching experience relevant to the development of students' quantitative literacy in the context of their disciplinary studies in higher education, especially at first-year level.
- Excellent writing and communication skills.

Advantages:

- Experience in using educational technology
- Some background in the Social Sciences and/or Health Sciences
- For the permanent part time position a Masters degree in a relevant quantitative discipline (preferably Mathematics or Statistics)

Primary responsibilities:

- Teach on Numeracy Centre courses and interventions.
- Design curriculum and learning materials for the development of students' quantitative literacy in the context of their disciplinary studies (particularly social sciences and/or health sciences).
- For the full time position only, undertake and publish research in areas relevant to the work of the Numeracy Centre.
- Fulfill administrative and managerial tasks in the Numeracy Centre.

The annual cost of employment for 2014, including benefits:-

For the permanent full time Lecturers: R484 656

For the permanent part time Lecturer: R320 910
