## DEPARTMENT OF MATHEMATICS AND APPLIED MATHEMATICS

### LECTURER (ACADEMIC TEACHER) IN MATHEMATICS OR APPLIED MATHEMATICS

The Department of Mathematics and Applied Mathematics is a large and dynamic department with over thirty faculty members. We seek to make one permanent appointment at Lecturer level, in Mathematics or Applied Mathematics as soon as possible. The focus of this academic teacher position is undergraduate teaching. The successful candidate must show a demonstrable interest in the scholarship of undergraduate teaching and learning in the Mathematical Sciences.

At the time of appointment, the successful candidate will be expected to be in possession of a Master's degree or a PhD in the Mathematical Sciences or Tertiary Mathematics Education.

In particular, the successful applicant could be expected to:

- Teach a range of first and second-year courses in Mathematics or Applied Mathematics offered to the Faculties of Science, Engineering and Commerce;
- Engage with curriculum development;
- Carry (as an academic teacher) a significantly larger than normal academic teaching load;
- Have a willingness to lecture to large classes and convene large courses;
- Contribute positively to the normal administration of the department.
