Signature: Date:

Section 2: POPIA Consent

In terms of the POPI Act (summarized below), by signing below, I,, consent to the South African Mathematical Society electronically storing details as supplied on this form and making use of the information supplied here for the purposes of communications by the Society on matters such as (but not limited to) membership, events related to the Society and publications by the Society.

Signature: Date:

POPIA

By signing the above form, the signatory agrees that he/she has read and understood the following POPIA section and that he/she has voluntarily and personally provided his/her personal information to the Society for the purposes specified.

1. The Society recognises that one of its fundamental responsibilities in terms of the Protection of Personal Information Act 4 of 2013 (POPI or POPIA) is to ensure that it protects personal information entrusted to it by its members. This is essential for the Society's reputation and for complying with its legal obligations.
2. The Society processes personal information in terms of its privacy policy, which can be made available upon request.
3. The Society processes personal information as defined in terms of Section 1 of POPIA of its members i.e. names, telephone numbers, email addresses, information relating to education, employment history, private/confidential correspondence, views and opinions of another individual about the person.
4. If there is a reason to believe that personal information in the Society's possession is incorrect or outdated, the member should inform the Society in this regard, after which the Society will correct the information.
5. The Society will use the information collected in the management of the activities of the Society, process applications, maintain internal records, communicate with its members, recognise the member when he / she makes payments to the Society, organize events associated associated with the Society and alert members to publications related to the Society.
6. The Society does not collect personal information on its members from any source other than universities and people referenced in the application for membership.
7. The Society transfers personal information of individual members to outside organizations and foreign countries for the purpose of validation of the information supplied in this application.
8. The member is aware of his/her right as data subject to object to the processing of personal information or withdraw his/her consent at any time, however such action may result in termination of membership in the Society.
9. The member is aware of the right to lodge a complaint with the Information Regulator at the following e-mail address: POPIAComplaints@inforegulator.org.za
10. If the member wishes to address any concerns or queries to the Society, he/she may do so by sending an e-mail to: popia@sams.ac.za
