

# 61<sup>st</sup> SAMS Congress

3-5 December 2018

The 61st SAMS Congress will be hosted by the Department of Mathematics at Rhodes University.

Members of the South African Mathematical Society and guests are invited to Rhodes for three days of academic presentations and seminars.

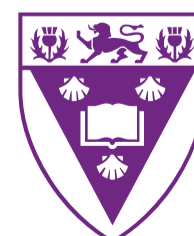

## Plenary speakers

- Prof Willem Conradie (Wits)
- Prof Keshlan Govinder (UKZN)
- Dr Julien Larena (UCT)
- Prof Mosimege Mogege (UFS)
- Dr Anneliese Schauerte (UCT)

We invite proposals for special thematic parallel sessions and contributed talks.

For registration information, abstract submission and general enquiries, please visit the congress web site:
